

**UNIVERSITY OF CALIFORNIA SAN DIEGO  
INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE**

**Eligibility for Principal and Secondary Investigator**

Principal Investigator

Eligibility to serve as a Principal Investigator on an animal use protocol shall be the same as the University's requirements for eligibility to be a PI on a grant (PPM 150-10). An approval for an exception must be approved by the appropriate Vice Chancellor prior to eligibility to be a Principal Investigator on a grant or animal use protocol.

Secondary Investigator

A secondary investigator is required on each animal use protocol. This individual will act on behalf of the PI in the absence of the Principal Investigator, and is expected to have the experience and authority to carry out protocol matters in the event of an emergency.
